Industrial Test Systems, Inc. (ITS)

Assurance Program

Every new Pool Check® i test strip analyzer is warranted to be free from defects in materials and workmanship for a period of (90) days from the date of purchase by the customer. ITS will repair or replace any part of the product which is deemed to be faulty or otherwise manufactured defectively. This warranty does not cover equipment which has been misused, tampered with, modified or damaged as a result of accident, water, grit, impact or improper care as indicated in the Pool Check® i owner's manual.

To protect your investment against damage caused by drops, spills, power surges and other accidents, ITS recommends purchasing the Pool Check® i Assurance Program! For only \$160, this 3-year coverage entitles the owner to a 1-time replacement of the Pool Check® i scanner for any reason whatsoever. Simply return your inoperable Pool Check® i and ITS will send you a brand new unit, no questions asked. Complete terms and conditions can be found online at www.poolcheckonline.com.
